BAND CAMP!

Sunday, July 20 - Friday, July 25

Ferris State University

There will be a meeting the week before we leave for band camp to give parents and incoming freshman all the information they will need! Any questions in regards to band camp before this date can be directed to petoskeybandboosters@gmail.com

This wonderfully vibrant and gifted group of seniors will be dearly missed!

SUMMER EXPECTATIONS

Throughout the summer starting June 24:

Sectionals for your section as well as "Full Brass" or "Full Woodwinds". Colorguard, watch for communication from Mrs. Marvin for your schedule.

The expectation is that students are at sectionals. There is a lot of work that goes into preparing for camp. Obviously, we'll have students that are gone for camps, trips, etc. We understand that's a part of summertime, too, and we believe that's a good opportunity for everyone. However, if you are in town, the expectation is the same as any other sports team. Your employers have had other workers with commitments to teams, so this isn't a new idea to any boss in town. We've worked and will continue to work with coaches to build a practice/sectional schedule that allows students to participate in both activities.
